Dear Sir,

I want to thank the members of the Milwaukee Amateur Radio Club for the "rip snorten" good time extended to the few of our members who had the fortune to visit a meeting of your organization on April 8th of this year. All of our members who were present at the meeting and at the "party" wish to thank you.

As for the few of us who have been with you in the amateur affaires of the state know that it is just one of the little things that the Milwaukee Club can put across. Personally I had one of the best times in my life.

May I again thank you, and ask that some of the members of your organization visit our Club meetings in the near future ?

Yours truly,

O.C. Austin. Pres.
